## Monthly Planning/Code Compliance Report 12/2024

**January 22, 2025**

**Code amendments**

No new code amendment applications. There will likely be some changes to the code to address Area of Impact and approach/access permits for lots outside city limits that need to utilize City of Dalton Roads to get off their subject property. Sue Supp, Susan Weeks, and I have been working on what that should look like to protect our roads and community.

**Variances / Special Use Permits (SUP)**

No new variances or special use requests have been submitted. There has been an inquiry about a SUP for a private school in the residential zone. She was suggested to apply for a predevelopment meeting to see what improvements might be necessary to meet a private school standard from a building and fire prospective.

**Subdivisions**

No new subdivision requests have been submitted.

**Permits**

According to OpenGov, from Dec 1 – Dec 31 there were a total of twenty-eight permits issued, fifty-six inspections completed, and a total of \$10,405.85 of fees collected. Below is a snapshot of the permits.

Permit Type	New	Issued	Inspections	Revenue Collected
CBL	2	4	2	\$ 100.00
Roof	2	2	2	\$ 400.00
ROW	1	0	0	0
BP	2	3	13	\$ 4,814.00
Mechanical	8	8	10	\$ 2,027.00
Home Bus License	1			\$ 25.00
Alcohol	0	0	0	0

As Planner and/or Code Compliance I have touched twenty eight different permits in OpenGov, often some more than one time as follow-up is required when items are missing in their application submission or clarification is necessary, or when investigation is ongoing,

**Planning Commission**

The Planning Commission met on December 5, 2024. At that meeting the Planning Commission approved the minutes from April 25, 2024, May 23, 2024, October 3, 2024, and November 7, 2024. The agenda included a request by the Planner for consideration and discussion of revising the Commercial Business License standards for application; and discussion of the Planning Commission addressing

Comprehensive Plan of Recreation Goal 1 and Policy 3 (Park Plan). The P&Z unanimously concluded that those two items were outside their scope as outlined in the City Code, Section 2-2-2 B, 1-8. No action was taken by P&Z. At this meeting, the group discussed the takeaways from the Housing Solution Workshop the Commission attended which was held in November at Kootenai County. Also discussed were some items from an email date 11/25/2024 from Mayor Jernigan; and reviewed and discussed the meeting calendar for the 2025 calendar year.

Discussion for items for the January P & Z meeting included the proposed Short Term Rental ordinance, which underwent some changes since the workshop with the City Council this summer and has been prepared for a public hearing before the City Council in February. Minutes of the December 2024 meeting were approved at the [January 2025](#) meeting.

**Code enforcement**

The City’s backlog of code compliance cases logged in to OpenGov are being reduced as new ones are added. The following were resolved this month. Review and investigation of backlogged violation continues. We will be ramping up for 2024 water overages in the near future and continue to work on addressing the Commercial Business License. A blanket letter will be sent out to all commercial business owners 1 month prior to the new business license application date reminding them of the requirements to register.
