Hi Scott,

Please see the attached PDF for the quote on the 2025 F550 REG CAB DUMP BODY, which is a PIGGYBACK off the City of Hayden's 2024 Order with the same bidspec.

Please note that I do not have this truck available, so this is an order quote. I might be able to locate a truck and have it brought in, but I wanted to start with this for pricing so that you had a baseline.

Also, the 2025MY order bank is not open yet, so the quote will show a 2024 model year. The quote assumes a 3% YOY price increase for the 2025MY which is what we will order for you.

Please review this and let me know if you have any questions at all.

Sincerely,

--
Michael Hedden
