**Subject:** 2423 E Dalton Avenue project

Hello,

I am out of town and may not be able to zoom into tonight's meeting.

Please add the dirt road at the end of Dalton Avenue to the agenda for the next city council meeting.

My main concerns are:

Winter: After it snows and warms a bit the road quickly becomes a sheet of ice

Potholes

Fine dust that occurs as soon as the road dries.

Regards,  
Cheryl Christopherson
