

SITE DISTURBANCE APPLICATION

CITY OF DALTON GARDENS | 6360 N 4th St Dalton Gardens ID 83815 | (208) 772-3698 | www.daltongardens.com

The undersigned is attesting to the validity of the information on this application. A copy of the City's Site Disturbance Ordinance is available online at www.daltongardens.com.

Estimated amount of earth and debris to be removed from the property in cubic yards: _____

Please provide a description of a simple drainage plan for the completed project and illustrate it on the attached Site Plan. This drainage plan should show how storm water will flow off the road, and include thought as to how storm water will be conveyed at each approach to avoid puddling on the roadway. The plan should also show any associated landscaping so that we can make sure the landscaping is outside the clear zone of the road and not hindering drainage.

(continue on back if necessary)
